

# Save the date!

**IHN webinar focus on  
donor vigilance**

**Enhancing  
donor safety,  
strengthening  
healthcare**

Join us for an engaging webinar with a focus on blood donor vigilance. Don't miss this opportunity to connect with experts, learn about key topics such as serious cardiovascular or neuromuscular events in blood donors and donor adverse events related to plasma donations. Connect with experts who will share their insights, ask questions and make a difference.

**Tuesday 10 June 2025  
12:30 to 14:00 CEST**
